PARTNERSHIP PROPOSAL

DESIGN × PRINT. ONE TEAM.

Precision Design Group and your print shop: a design division for you, a printing division for us, at each other's best prices.

BALTIMORE, MD — 2026

(01) — WHO WE ARE

The design studio behind a lot of printed apparel.

Precision Design Group designs collections, graphics and merch for Carrots, Joe Freshgoods, Dreamville, Warner Music artists, XLARGE and more, plus retail exclusives for PacSun and Zumiez.

Every one of those graphics has to be printed by someone.

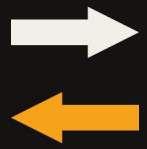

Each company gains a division it doesn't have to build.
